Clovelly Surf Club Events

The Story

Make your way to the iconic Clovelly Surf Club building, walk up a small flight of stairs, and you'll be greeted by one of Sydney's finest function spaces with wrap around water views. An open plan-styled location overlooking the Clovelly Beach promenade & cliffs of Gordon's Bay , with a custom-built window filled space and balcony surrounded by 270 degree water views, Clovelly Surf Club function room is the perfect private oasis for hosting something truly unique.

Accommodating up to 180 guests, this picturesque space is ideal for everything from end of year parties, PR launches, corporate events, birthday celebrations (private dinner on the terrace anyone?) and cocktail parties that everyone will be talking about. Spend the day with drink in hand, mingle outside, take a walk on the coastal walk, or let your hair down and have a boogie by the bar.
